

CURRICULUM VITAE

28/12/10

DAVID MARTIN DAY**PERSONAL INFORMATION**

Citizenship: Canadian

Present Position: Associate Professor
Department of Psychology
Ryerson University

Business Address: 350 Victoria Street
Toronto, Ontario
M5B 2K3

Business Telephone: (416) 979-5000, extension 7104

Email: dday@psych.ryerson.ca

EDUCATION**Undergraduate**

1980 B.A. (Honours), Psychology, York University, Toronto, Ontario

Graduate

1990 Ph.D., Applied Social Psychology Program, University of Windsor, Windsor, Ontario
Thesis Title: *The role of epistemic style in the processing of style consistent and style inconsistent counterattitudinal editorials*

1985 M.A., Applied Social Psychology Program, University of Windsor, Windsor, Ontario
Thesis Title: *Portrayal of mental illness in the media: A content analysis of Canadian newspapers*

CERTIFICATION AND LICENSURE

1991 Registered psychologist, Ontario, Canada (#2394)

EMPLOYMENT HISTORY

- 2004-present Associate Professor, Department of Psychology, Ryerson University, Toronto, Ontario
- 1998-2004 Assistant Professor (tenure received November, 2002), Department of Psychology, Ryerson University, Toronto, Ontario
- 1998 Research Associate (6-month contract), The Hincks-Dellcrest Centre, Toronto, Ontario: conduct evaluation studies of various treatment programs for children and adolescents and their families
- 1997 Staff psychologist (8-month contract), Ontario Correctional Institute, Brampton, Ontario: conduct assessment interviews, provide short-term counselling, and co-lead treatment workshops
- 1994-1998 Lecturer (Sessional), Division of Life Science, University of Toronto, Scarborough Campus, Scarborough, Ontario: courses taught are listed on pages 6-7
- 1989-1997 Director of Research and Evaluation, EarlsCourt Child and Family Centre, Toronto, Ontario: designed and conducted basic and applied research on childhood aggression and delinquency
- 1988-1989 Statistical Consultant for Dr. R. Robert Orr, Department of Psychology, and Dr. Sheila Cameron, Department of Nursing, University of Windsor, Windsor, Ontario: assisted with research on stress and coping among parents caring for a developmentally delayed child at home
- 1985-1986 Internship placement (600 hours), Supervisor: Dr. A. Ian Smith, Windsor-Essex branch of the Canadian Mental Health Association, Windsor, Ontario: conducted an organizational analysis of the Canadian Mental Health Association
- 1984-1985 Practicum placement, Supervisor: Dr. Marvin Kaplan, Essex County District Health Council, Windsor, Ontario: analyzed data and provided technical assistance for a needs assessment of the mental health services in Windsor-Essex County
- 1984 Internship placement (400 hours), Supervisor: Dr. Sid Folb, Donwood Institute, Toronto, Ontario: coordinated a follow-up study of a substance abuse program

- 1981-1982 Research Assistant for Dr. Barry Martin, Department of Epidemiology and Evaluation, Clarke Institute of Psychiatry, Toronto, Ontario: assisted with the development of a database on the use of electroconvulsive therapy at the Clarke Institute of Psychiatry
- 1981-1982 Research Assistant for Dr. Alison Fleming, Department of Psychology, University of Toronto, Toronto, Ontario: assisted on a study of physiological correlates of emotion
- 1981-1982 Research Assistant for Dr. Jonathan Freedman, Department of Psychology, University of Toronto, Ontario: assisted on a study of public perceptions of young people
- 1981 Research Assistant for Dr. Ron Langevin, Research Department, Clarke Institute of Psychiatry, Toronto, Ontario: assisted on three studies of sexual aggression, pedophilia, and the effects of alcohol on sexual arousal in males

RESEARCH GRANTS AND CONTRACTS

- 2010-2011 D.M. Day (Principal Investigator). National Crime Prevention Centre (NCPC): \$9,940 research contract. Identification and operationalization of the major risk factors for antisocial and delinquent behaviour among children and youth aged 6-11, 12-17, and 18-24 years old.
- 2009-2010 **D. M. Day** & I Bevc (Co-Investigators). National Crime Prevention Centre (NCPC): \$19,997 research contract. Continuation and replication of the study of criminal trajectories of adjudicated youths.
- 2009-2010 **D. M. Day** & R. T. Muller (Co-Investigators). Ryerson University Faculty of Arts SRC Fund Grant: \$6,996 grant. Development of emotional and behavioural self-regulation in children living in residential treatment programs.
- 2008-2010 **D. M. Day**, T. Hart, E. McCay, & A. Macpherson (Co-Investigators). Ryerson Fund for Interdisciplinary Research (RFIS): \$19,981. A model of sexual risk and injury risk behaviours among incarcerated youth.
- 2005-2006 **D. M. Day** & R. T. Muller (Co-Investigators). Ryerson University Faculty of Arts SRC Fund Grant: \$8,000 grant. The psychological impact of physical restraints on children and youth in care.
- 2005-2010 **D. M. Day**, I. Bevc, F. Theodor, J. S. Rosenthal, & T. Duchesne (Co-Investigators) Ministry of Children and Youth Services: \$76,395 grant. Modelling stability and change in criminal behaviour: A study of the criminal trajectories of male offenders.

- 2004 **D. M. Day**, I. Bevc, & F. Theodor. (Co-investigators). Ryerson University, Summer Research Assistant Programs: \$6,300 grant. Stability and change in criminal behaviour.
- 2003 **D. M. Day**, I. Bevc, & F. Theodor. (Co-investigators). Ryerson University, Ontario Work Study Program Funds: \$1,740 grant. Stability and change in criminal behaviour.
- 2002 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Ryerson University, SSHRC Incentive Funds: \$8,200 grant. Continuities and changes in criminal behaviour.
- 2001 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Samuel Rogers Memorial Trust: \$8,000 grant. Long-term follow-up of male young offenders from open custody facilities.
- 2000 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Ryerson Polytechnic University SRC Fund Research Grant: \$3,500 grant. The relationship between psychiatric diagnosis and criminal behaviour in male young offenders.
- 2000 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Hincks-Dellcrest Centre: \$7,250 grant. Long-term follow-up of male young offenders from open custody facilities.
- 2000 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Ryerson Polytechnic University SRC Fund Research Grant: \$5,000 grant. A long term follow-up of male young offenders from two open custody treatment facilities.
- 1999 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Ryerson Polytechnic University Summer Research Funds: \$4,000 grant. A long term follow-up study of the recidivism rate among male young offenders from two open custody facilities in Toronto.
- 1999 **D. M. Day**, I. Bevc, & F. Theodor (Co-Investigators). Hincks-Dellcrest Centre: \$9,000 grant. A long term follow-up study of the recidivism rate among male young offenders from two open custody facilities in Toronto.
- 1996 **D. M. Day** (Principal Investigator). Trillium Foundation: \$18,000 grant. Evaluating the long-term effects of a program for children under the age of 12 years at risk for juvenile delinquency.
- 1995 **D. M. Day** & L. Hartley (Co-Investigators). Nelson Arthur Hyland Foundation: \$500 grant. Long-term follow-up of children served by the EarlsCourt School-Based Programme (ESP) for aggressive children.

- 1995 **D. M. Day** & L. Hartley (Co-Investigators). R. Howard Webster Foundation: \$1,200 grant. Long-term followup of children served by the Earls court School-Based Programme (ESP) for aggressive children.
- 1995 **D. M. Day** & L. Hartley (Co-Investigators). McLean Foundation: \$1,000 grant. Long-term followup of children served by the Earls court School-Based Programme (ESP) for aggressive children.
- 1994-1998 **D. M. Day** (Principal Investigator). Health Canada: \$125,941 contract. Evaluation of Program Without Walls: The City of York's response to the Community Action Program for Children (CAPC) Initiative.
- 1993-1994 **D. M. Day** (Principal Investigator). Solicitor General Canada: \$13,382 contract. School-based violence prevention in Canada: A review of the literature and current resources.
- 1993 **D. M. Day** & L. Hartley (Co-investigators). McLean Foundation: \$500 grant. Evaluating two modalities of service delivery in a school-based intervention for aggressive children.
- 1993-1996 **D. M. Day** (Principal Investigator). Department of Justice, Canada: \$75,861 contract. Serving children at risk for juvenile delinquency: An evaluation of the Earls court Under 12 Outreach Project (ORP).
- 1993 **D. M. Day** (Principal Investigator). Henry White Kinnear Foundation: \$5,300 grant. Evaluating parent-child interactions: Development of an assessment protocol.

COURSES TAUGHT

- Course Name: Behavioural Disorders in Children (Graduate course)
 Description: Major disorders affecting children and adolescents and the developmental processes that contribute to their onset and maintenance
 Year: 2008
 Where: Department of Psychology, Ryerson University
- Course Name: Advanced Seminar in Psychopathology
 Description: Prevalence of disorders, risk factor research, moderator and mediator variables, externalizing disorders, pseudoscience and psychopathology
 Year: 2010
 Where: Department of Psychology, Ryerson University

Course Name:	Perspectives in Individual Human Behaviour
Description:	Major perspectives in psychology including biological, cognitive, behavioural, psychodynamic, and sociocultural
Year:	2002, 2003, 2005
Where:	Department of Psychology, Ryerson University
Course Name:	Social Psychology
Description:	Range of topics including attribution theory, aggression, altruism, obedience, attraction, prejudice, and applied topics
Year:	2006-2011
Where:	Department of Psychology, Ryerson, University
Course Name:	Developmental Psychopathology
Description:	Range of topics including theories of psychopathology, assessment, diagnosis, treatment, and specific disorders
Year:	2002, 2004, 2005, 2008, 2010, 2011
Where:	Department of Psychology, Ryerson University
Course Name:	Community Psychology
Description:	Range of topics including theories of community psychology, research methods, community development, and services for people and groups
Year:	2000-2005, 2007, 2009
Where:	Department of Psychology, Ryerson University
Course Name:	Introductory Psychology
Description:	Range of primary topics in psychology including biological determinants of behaviour, personality, and social psychology
Year:	1999-2004, 2006, 2009
Where:	Department of Psychology, Ryerson University
Course Name:	Child Development and Developmental Psychopathology
Description:	Range of primary topics in developmental psychology from birth to adolescence and range of topics on disorders and treatment approaches with children and adolescents and their families
Year:	1998-2000
Where:	Department of Psychology, Ryerson University
Course Name:	Special Topics in Abnormal Psychology
Description:	Range of topics including development and treatment of conduct disorder and delinquency and clinical research issues
Year:	1994, 1995, 1997, 1998
Where:	Division of Life Sciences (Psychology), University of Toronto

Course Name: Advanced Social Psychology
Description: Range of topics in applied social psychology including organizational, environmental, consumer, and health psychology, and psychology and the law
Year: 1998
Where: Division of Life Sciences (Psychology), University of Toronto

Course Name: Introduction to Social Psychology
Description: Range of primary topics including conformity, persuasion, group influences, aggression, altruism, and conflict and peacemaking
Year: 1996, 1997, 2006
Where: Division of Life Sciences (Psychology), University of Toronto, Ryerson University

Course Name: Introduction to Developmental Psychology
Description: Range of primary topics in developmental psychology from birth to adolescence
Year: 1995
Where: Division of Life Sciences (Psychology), University of Toronto

Course Name: Intermediate Statistics
Description: Analysis of variance, correlation, regression, nonparametric statistics
Year: 1989
Where: Department of Psychology, University of Windsor

Course Name: Social Psychology: Groups and Social Processes
Description: Range of primary topics including conformity, persuasion, group influences, aggression and altruism, and applications
Year: 1986, 1987
Where: Department of Psychology, University of Windsor

Course Name: Organizational Psychology
Description: Range of topics including motivation, leadership, and group dynamics
Year: 1987
Where: Department of Psychology, University of Windsor

Course Name: Introductory Psychology
Description: Range of primary topics in psychology
Year: 1983-1985, 1987-1988
Where: Department of Psychology, University of Windsor

Teaching Assistantship

Course Name: Computer Assistant
 Description: Responsible for providing technical assistance to undergraduate and graduate students and faculty on a range of topics including statistics, research design, and mainframe (SPSS, LISREL, CMS, and GML SCRIPT) and microcomputer (DOS, WordPerfect, SPSS-PC) use. Other responsibilities included conducting workshops, preparing instructional handouts, and maintaining records of the Psychology Department's computer accounts.
 Year: 1987-1989
 Where: Department of Psychology, University of Windsor

PUBLICATIONS

Studies in Progress

1. Stability and change in criminal behaviour among male offenders: A life-course perspective. Study in collaboration with Dr. Irene Bevc The Hincks-Dellcrest Children's Centre, Dr. Jeffrey Rosenthal, University of Toronto, Dr. Thierry Duchesne, Laval University, and Dr. Ye Sun, University Health Network.
2. The psychological impact of physical restraints on children and youth in residential care. Study in collaboration with Dr. Robert Muller, York University.
3. A model of sexual risk and injury risk behaviours among incarcerated youth. Study in collaboration with Dr. Trevor Hart and Dr. Elizabeth McCay, Ryerson University and Dr. Alison Macpherson, York University.

Edited Books

1. Nunno, M.A., **Day, D. M.**, & Bullard, L B. (Eds.). (2008). For our own safety: Examining the safety of high risk interventions for children and young people. Arlington, VA: Child Welfare League of America.

3. **Day, D. M.** (2009, February). Change and continuity in criminal offending: The criminal trajectories of an Ontario sample of offenders. Invited colloquium for the Department of Psychology, University of Guelph, Guelph, Ontario.
4. Milne, C. & **Day, D. M.** (2005, November). Restraint use: A legal and psychological perspective. Invited presentation at the Symposium Reducing Physical Restraint Interventions with Children and Youth: Collaborating on New Approaches to Effectively Intervene with Children and Youth During High Risk Situations, Toronto, Ontario.
5. **Day, D. M.** (2005, June). A review of the literature on the effectiveness of physical restraints with children and youth. Invited Presentation at the Symposium Examining the Safety of High Risk Interventions for Children and Young People, Ithaca, New York.
6. **Day, D. M.** (1992, November). An evaluation of the Under 12 Outreach Project. Invited presentation for the Ontario Association of Children's Mental Health Centres (OACMHC) annual symposium, Toronto, Ontario.

Conference Presentations

1. Safar, K., Konanur, S., Muller, R.T., Vascotto, N.A., & **Day, D. M.** (2010, Oct). Attachment style and emotion coping among children living in residential treatment facilities. Paper presented at the 27th Annual Conference of the International Society for the Study of Trauma and Dissociation. Atlanta, GA.
2. Wanklyn, S., Ward, A. K., Cormier, N., & **Day, D. M.** (2010, March). Childhood predictors of sexual versus nonsexual offending. Poster session presented at the annual American Psychology-Law Society Conference, Vancouver, BC.
3. Gragtmans, K., Muller, R. T., & **Day, D. M.** (2009, November). Attachment and therapeutic alliance among traumatized children in residential treatment facilities. Poster presented at the 26th Annual Conference of the International Society for the Study of Trauma and Dissociation, Washington, DC.
4. Dyson, A. L., Muller, R. T., & **Day, D. M.** (2009, November). Attachment and emotional regulation among traumatized children in residential treatment facilities. Poster presented at the 26th Annual Conference of the International Society for the Study of Trauma and Dissociation, Washington, DC.
5. Ward, A. K., **Day, D. M.**, & Bevc, I. (2009, August). Prediction of criminal behavior from juvenile risk and protective factors. Poster presented at the 117th Annual Convention of the American Psychological Association, Toronto, Ontario.
6. **Day, D. M.**, Bevc, I., Duchesne, T., Rosenthal, J. S., Sun, Y., & Theodor, F. (2007, June). Criminal trajectories from adolescence to adulthood in an Ontario sample of offenders. Poster presented at Canadian Psychological Association/North American Correctional and Criminal Justice Psychology Conference, Ottawa, Ontario
7. Koegl, C., Augimeri, L., Farrington, D. P., & **Day, D. M.** (2005, November). A community-based program for children with conduct problems: Immediate and long-term effects. In L. Augimeri (Chair). Children under 12 in conflict with the law: Gender-specific interventions and risk assessment. Symposium presented at the Annual Meeting of the American Society of Criminology, Toronto, Ontario.
8. **Day, D. M.** & Pleydon, A. (2003, August). Identifying the psychosocial and mental health needs of young offenders. Poster presented at the 111th Annual Convention of the American Psychological Association, Toronto, Ontario. (ERIC Document Reproduction Service No. CG 032 681).

9. **Day, D. M.**, Bevc, I., Rosenthal, J., Duchesne, T., Rossman, L., & Theodor, F. (2003, August). Predicting adult offenders' criminal trajectories from their adolescent criminal trajectories. Poster presented at the 111th Annual Convention of the American Psychological Association, Toronto, Ontario. (ERIC Document Reproduction Service No. CG 032 682).
10. **Day, D. M.**, Peterson-Badali, M., & Shea, B. (2002, May). Parenting style as a context for the development of adolescents' thinking about rights. Poster presented at the 9th Biennial Meeting of the Society for Research on Adolescence, New Orleans, LA. (ERIC Document Reproduction Service No. ED 464 746).
11. Peterson-Badali, M. & **Day, D. M.** (2002, May). W(h)ither nurturance? Perceptions of adolescents' rights to nurturance and self-determination. Poster presented at the 9th Biennial Meeting of the Society for Research on Adolescence, New Orleans, LA.
12. Bevc, I., **Day, D. M.**, Theodor, F., & Rossman, L. (2001, June). The relationship between criminal and psychiatric history in young offenders. Poster presented at the 62nd Annual Convention of the Canadian Psychological Association, Quebec City, Quebec.
13. **Day, D. M.**, Bevc, I., & Theodor, F. (2000, June). Long-term follow-up of male offenders from two open custody facilities: A preliminary investigation of recidivism over time. Poster presented at the 61st Annual Convention of the Canadian Psychological Association, Ottawa, Ontario.
14. Ruck, M. D., Peterson-Badali, M., Wolfe, J., & **Day, D. M.** (1999, April). Canadian children's and parents' conceptions of rights: Towards a framework for balancing nurturance and self-determination. In P. Verbeek & Ruck, M. D. (Co-Chairs). Researching children's rights: Opportunities for development scientists. Symposium presented at the Biennial Meeting of the Society for Research on Child Development, Albuquerque, New Mexico.
15. Zimmerman, S., Temple, M., Peterson-Badali, M., Ruck, M. D., & **Day, D. M.** (1999, April). Maternal influences on children's and adolescents' thinking about right. Poster presented at the Biennial Meeting of the Society for Research on Child Development, Albuquerque, New Mexico.
16. Keeling, K. R. & **Day, D. M.** (1997, May). The role of executive functioning in deflecting adolescent criminal offending. Poster presented at the Executive Functioning and Developmental Psychopathology: Theories and Applications Conference, Toronto, Ontario.
17. **Day, D. M.**, Koblitz, R. T., Szkiba-Day, P. J., & Bors, D. A. (1996, August). Emergence of the sense of self as a predelinquent among high/low risk children. Poster presented at the XXVI International Congress of Psychology, Montreal, Quebec.

18. **Day, D. M.**, Hrynkiw-Augimeri, L., Beals-Gonzalez, C., & MacLeod, J., (1996, August). Evaluating an intervention for children at risk for juvenile delinquency. Poster presented at the American Psychological Association annual meeting, Toronto, Ontario.
19. Hartley, L. & **Day, D. M.** (1996, August). Treating aggressive children: The effectiveness of including prosocial classmates. Poster presented at the American Psychological Association annual meeting, Toronto, Ontario.
20. **Day, D. M.**, Hrynkiw-Augimeri, L., MacLeod, J., & Beals-Gonzalez, C. (1995, June). Evaluating the immediate effects of the Under 12 Outreach Project: Serving children at risk for juvenile delinquency. In P. Simpson (Moderator), Juvenile delinquency: Management and treatment. Symposium presented at the Annual Conference on Court-related Clinical Services of Ontario, Toronto, Ontario.
21. **Day, D. M.**, Minevich, A., Hunt, A. C., & Hrynkiw-Augimeri, L. (1994, May). Early detection of young offenders: Identification of risk and protective factors. Paper presented at the University of Waterloo Conference on Child Development, Waterloo, Ontario.
22. **Day, D. M.** & Hunt, A. C. (1993, August). The predictive validity of a risk model with under 12 offenders. Poster presented at the American Psychological Association annual meeting, Toronto, Ontario.
23. **Day, D. M.** & Hartley, L. (1993, August). Evaluating a school-based program for aggressive children: Comparing outcomes for different levels of service. Poster presented at the American Psychological Association annual meeting, Toronto, Ontario. (ERIC Document Reproduction Service No. ED 373 278).
24. Hunt, A. C. & **Day, D. M.** (1993, August). Increasing the self-efficacy of paraprofessionals working with behaviour problem children. Poster presented at the American Psychological Association annual meeting, Toronto, Ontario.
25. **Day, D. M.** (1993, May). Internal evaluation within a children's mental health centre. In M. P. Shea (Chair), Internal program evaluation: Building organizations and programs from within. Symposium presented at the Canadian Psychological Association annual meeting, Montreal, Quebec.
26. **Day, D. M.**, Factor, D. C., Szkiba-Day, P. J., & Ash, E. T. (1992, May). Discipline approaches of parents with conduct problem children. Paper presented at the University of Waterloo Conference on Child Development, Waterloo, Ontario.

27. Hunt, A. C., **Day, D. M.**, Levene, K., & Baird, L. (1991, June). The Parent Daily Report: A measure of problem behaviours in conduct disordered children. Poster presented at the Ontario Association of Children's Mental Health Centre annual conference, Collingwood, Ontario.
28. Pal, A., **Day, D. M.**, Goldberg, K., & Levene, K. (1991, June). A two year residential follow-up study. Poster presented at the Ontario Association of Children's Mental Health Centre annual conference, Collingwood, Ontario.
29. **Day, D. M.**, Towson, S. M. J., & Starr, M. W. (1990, August). Empirical versus metaphorical editorials: An individual differences approach. Poster presented at the American Psychological Association annual meeting, Boston, MA.
30. Orr, R. R., Cameron, S. J., & **Day, D. M.** (1990, June). Coping with stress in families with children and adults who are developmentally disabled: An evaluation of the Double ABCX model using path analysis. Paper presented at the Canadian Psychological Association annual meeting, Ottawa, Ontario.
31. Russell, A., Bream, L., **Day, D. M.**, & Pal, A. (1990, May). Relations among teacher, parent, and child ratings of social behaviour within an aggressive population. Paper presented at the University of Waterloo Conference on Child Development, Waterloo, Ontario.
32. Bream, L., **Day, D. M.**, & Pal, A. (1990, May). Proactive and reactive aggression: An analysis of subtypes based on teacher perceptions. Paper presented at the University of Waterloo Conference on Child Development, Waterloo, Ontario.
33. Orr, R. R., Cameron, S. J., & **Day, D. M.** (1989, October). A path analysis of stress and coping in families caring for developmentally handicapped children at home. Paper presented at the American Association on Mental Retardation annual meeting, Chicago, IL.
34. Orr, R. R., Cameron, S. J., & **Day, D. M.** (1989, October). Relationship of stress, coping and resources of families caring for developmentally delayed children at home. Paper presented at the annual Nursing Research Conference, Quebec City, Quebec.
35. Shea, M. & **Day, D. M.** (1987, June). Practicum and internship placements in the training of applied social psychologists: The University of Windsor experience. Paper presented at the Canadian Psychological Association annual meeting, Vancouver, British Columbia.
36. **Day, D.M.** (1985, June). Portrayal of mental illness in the media: A content analysis of Canadian newspapers. Poster presented at the Canadian Psychological Association annual meeting, Halifax, Nova Scotia.

37. Martin, B., Kramer, P., & Day, D. (1982, August). Electroconvulsive therapy: The Clarke Institute experience. Paper presented at the Canadian Psychiatric Association annual meeting, Montreal, Quebec.

Refereed Conference Proceedings

1. Day, D. M., Bevc I., Duchesne, T., Rosenthal, J. S., Sun, Y., & Theodor, F. (2008). Criminal trajectories from adolescence to adulthood in an Ontario sample of offenders. In G. Bourgon, R.K. Hanson, J.D. Pozzulo, K.E. Morton Bourgon, & C.L. Tanasichuk (Eds.), The Proceedings of the 2007 North American Correctional & Criminal Justice Psychology Conference (User Report) (pp. 143-148). Ottawa: Public Safety Canada.

Workshops Conducted

1. Meen, D., Day, D. M., Belfon, K., & Cunning, S. (2009, October). *“Not about bad:” Understanding the mental health needs and practices within a youth justice facility*. Law and Disorder...Creating Momentum for Change: Human Services and Justice Coordinating Committee Conference. Niagara Falls, Ontario.
